Gluten-free Selections

These selections are prepared to exclude gluten from the list of ingredients. Please notify us if you have a gluten allergy. Centerplate does not operate a dedicated gluten-free preparation or service space. Our meticulous quality assurance programs ensure we have the right systems and people in place to deliver the outstanding results our hosts seek.

We support your desire to offer healthy choices at events by providing a wealth of fresh, customizable, and varied options that include low-calorie, low-salt, low-fat, low-sugar, vegan, and gluten-free offerings, among others. Fresh fruit and vegetables, meatless entrees marketed to the mainstream, and light options are all very popular among our attendees.

Our catering menus include fresh fruit platters, fresh vegetable crudité, grilled vegetable platters, customizable salads, fresh seafood, grilled chicken, farm fresh vegetables, whole grain side selections, hummus and carved-to-order roasted turkey and lean meats.

Our culinary staff is available to assist event planners throughout their planning process to design menus that are appealing, affordable and in keeping with their wishes. We solicit event organizers to determine the best selections and special options for their guests.

We have a wide variety of beverages, snacks, and main course options at every meal as well as retail and grab-and-go. Lean proteins and whole grains are available, as are water and unsweetened beverages. Many of our event services include Chef-attended action stations where guests may assemble their own ingredients for preparation, having control over what and how much goes into a dish.

We look forward to serving you!
